

POS18-3005

Installation Instructions

www.ergomart.com | 888 420 3200

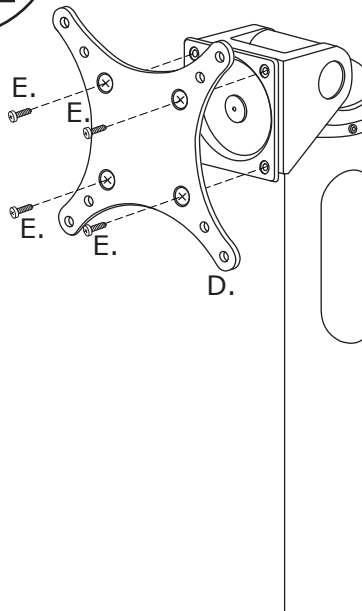

1

The installer must determine the appropriate fastener for your application. If uncertain about mounting procedures contact Ergomart for technical assistance.

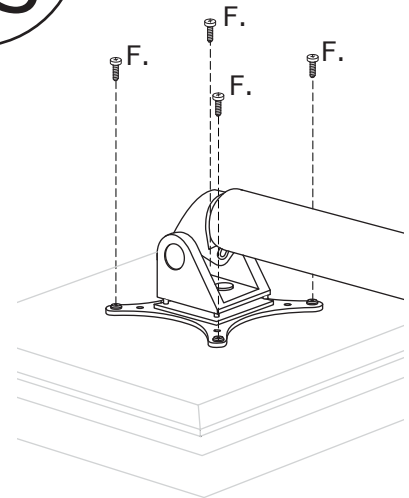

*Hardware NOT included.

2

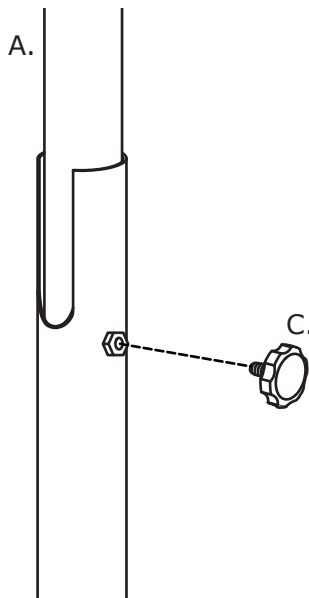

Attach (D or E) using the phillips flat head screws (F).

3

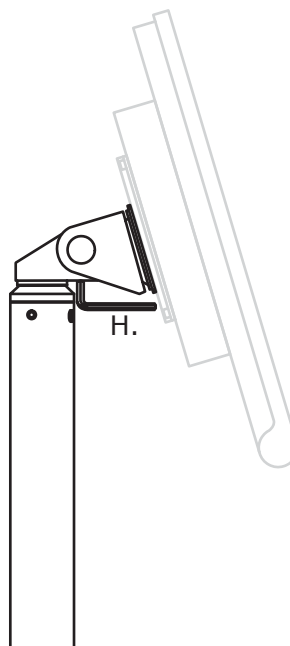

Carefully place monitor face down on flat surface. Attach to VESA plate using Phillips pan head screws (G).

4

Insert inner pipe into base. (A)
Use Knob (C) to allow height adjustment of Unit.

5

Increase or decrease resistance to tilt by adjusting set screw at the point of articulation using wrench.
